Dear Customer,

Thank you for visiting the SHines Photography website. We imagine it is difficult to envision some of our products over the web and this document is meant to assist you.

First, GALLERY WRAPS:

Gallery Wraps are photographs printed on canvas and wrapped around a wooden frame, thus creating a 3-D effect of the original image. Here is a sample -

Here is a sample image showing the same Gallery Wrap (16x20) from the side –

Next is a sample of the canvas Color Print on Stretcher Frame:

We'd also like to give you a sneak peek of a framed photo featuring the natural wood frame we offer:

Last but not least, we'd like to close with a cute picture of our puppy Skye on her first birthday (you can see she was up late last night celebrating!) -

Thank you for allowing us to give you a tour of some of our available products. Please call or e-mail with any questions you have - 303-642-5714 or shines@shinesphotography.com. See you in the mountains! *Lyn and Skye at SHines Photography*
